

# CURED ECZEMA FUR TRAPPING IS PROFITABLE FOR BEGINNERS

**Endured for Years—Tried All Kinds of Treatment—Suffered—Results From Dr. Chase's Ointment.**

You can now tell when people are miserable about most troubles by the language they use. After experimenting with all sorts of ointments in a vain effort to obtain relief and cure, the writer of this letter was astonished at the quick and satisfactory results obtained by the use of Dr. Chase's Ointment.

"It worked like magic," she writes, "and it is surprising the healing that it has effected in a single night by this great ointment. The itching and itching are relieved, and the cure is only a matter of time and patient treatment."

Mrs. Clements, 12 Strang street, Toronto, Ont., writes: "I have suffered from eczema for years, and after using all kinds of ointments, and finally tried Dr. Chase's Ointment. It worked like magic and proved a God-send to me. I would advise anyone suffering from eczema to try one box and be convinced." 60 cents a box, all dealers or, Edmondson, Bates & Co., Limited, Toronto.

## NO HOLIDAY FOR GERMANY IN NAVAL ARMAMENT

Winston Spencer Churchill's Proposition Receives Sympathy in Parliament.

Berlin, Oct. 21.—The proposal by Winston Spencer Churchill, first lord of the British admiralty, that Germany and Germany should declare a naval holiday in 1914 was received with sympathy by the German government. The German government is not calling for a reply. It is generally considered doubtful whether any official notice will be taken of the proposition, although it is thought Imperial Chancellor von Bethmann-Hollweg may perhaps refer to the subject later on in the course of the debate in the imperial parliament. The German authorities here consider the proposition that Germany should not build any warships while England is constructing or acquiring at least three, cannot be discussed.

## LADY CHURCHILL WILL CHRISTEN BATTLESHIP

Launching of the "Benbow" Will Be Occasion for Celebration on November 12.

London, Oct. 21.—Lady Randolph Churchill will perform the naming ceremony at the launching of the battleship "Benbow," which takes place on November 12 at Portsmouth. It is expected Lady Randolph will be accompanied by her son, Right Hon. Winston Spencer Churchill, first lord of the admiralty.

The "Benbow" will displace 25,000 tons and with her turbines and 29,000 shaft horse-power, will develop a speed of 31 knots.

## NO SESSION TILL JANUARY.

Ottawa, Oct. 21.—While no official announcement has yet been made by the government, it is now practically certain that parliament will not meet until January. As it is customary to give the members of the house at least 30 days notice of the intention of the government to call the house together, parliament could not have been convened until late in November, but it would not be worth while bringing the members to Ottawa. Practically nothing could be accomplished before the Christmas adjournment. It is certain, however, that the government will give the date for the opening as soon after the new year as possible, the expectation being that the parliamentary machinery will be in running by January 10th.

## SUBWAY TOO LOW

Moose Jaw, Oct. 21.—In connection with the subway connecting South Hill and the city which was to be opened for traffic some time ago, it is reported that the street cars did not go under. After much fussing one was sent through Sunday by the city, but it was not allowed to run. The city cannot operate the cars in this fashion; that they only submitted the thought of their own people. The street cars are only 12 feet 6 inches deep; that the subway is only 13 feet deep; and disclaiming all responsibility. Meanwhile the street railway is trying to raise special trolley. To sink or raise the subway another foot.

## SPANISH INTERESTS IN AFRICA.

Madrid, Oct. 21.—A royal decree was passed yesterday for the re-establishment of a bureau of Moroccan association. This is considered the first step towards the re-establishment of a bureau of the colonies that has been expressed immediately after the Spanish-American war. The publication of the decree has caused a new outburst of opposition to the colonial policy of the government. The Africanist league, formed for the purpose of advancing Spanish interests in Africa, held a meeting today at which the war in Morocco was strongly condemned and it was a waste of national energies and that far better results could be obtained by other means.

## PENITENTIARY ON FIRE.

Kingston, Ont., Oct. 21.—The penitentiary was the scene of a fire Saturday evening. The fire spread from the laundry to the kitchen, and then to the roof. It took two hours to extinguish the flames, and damage to the building was estimated at \$10,000. The laundry is some distance from the cells; there was no great alarm among the prisoners.

## SERVING TROOPS WITHDRAWN.

Belgrade, Oct. 21.—The Serbian government yesterday notified the European powers that it had ordered the Serbian withdrawal immediately behind the Albanian frontier, that the peace conference held in London at the peace conference of the first Balkan war. This step complies with Austria's ultimatum.

**Writing Pads Special**  
Our 20c and 25c writing pads, letter or note size, plain or ruled, cambric or linen finish. Wednesday, each ..... **15c**

## Trouble Brewing Between Electrical Workers and City

Difficulty Arises Out of New Scale of Wages—Men Want Increase of Seven and Half Cents and Telephone Men Nine Cents per Hour.

There is trouble brewing between the international brotherhood of electrical workers and the city over the new scale of wages, which has not yet been agreed upon between the two parties. It appears that the agreement has already been signed some four months ago by the superintendent of the electric light department, but the city has not yet accepted it. The city has already been asked to pay the new rates for the electric light men, but the city has refused to do so. The city has already been asked to pay the new rates for the telephone men, but the city has refused to do so. The city has already been asked to pay the new rates for the electric light men, but the city has refused to do so. The city has already been asked to pay the new rates for the telephone men, but the city has refused to do so.

## SNOW FALLS IN STATES FAR SOUTH OF ALABAMA

Storm of Wind and Snow Sweeps Down from St. Lawrence Valley.

Chicago, Oct. 21.—Winter, attended by a snow fall, visited Chicago yesterday, some weeks ahead of the calendar. The snow covered the ground only for a few minutes, but it was followed by a drop in temperature to 35 degrees.

## ZEPPELIN VICTIMS BURIED.

Berlin, Oct. 21.—Impressive joint funeral services were held today over the bodies of 22 of the victims of Friday's disaster to the Zeppelin airship at Juhlshausen. The ceremonies were held in the hall of the German parliament, where the bodies were laid out. The bodies were laid out in the hall of the German parliament, where the ceremonies were held. The bodies were laid out in the hall of the German parliament, where the ceremonies were held.

## OPPOSITION MUST CEASE SQUABBLING

Cannot Finish This Week if Pointless and Useless Chatter is Continued

If the labors of the first session of the 72nd legislature of Alberta are to be concluded by the end of the present week, the members of the opposition will have to curtail the time they consume in squabbling. The hon. Mr. Speaker appears to have found opposition with obstruction. It is their duty to criticize and condemn that with which they do not agree, more especially with respect to matters of policy, and they have a perfect right to do so. But they must not, in all questions, but to indulge in senseless chatter and useless chatter. The opposition is disposed to let them have the latitude they want. They cannot say that the opposition is to be censured by the end of the present week, the members of the opposition will have to curtail the time they consume in squabbling.

## TWICE PROVEN CURE FOR NERVES

Irritable, Hysterical, Sleepless, Dr. Chase's Nerve Food Restores Health.

There is a message in this letter for thousands of women who are suffering from broken-down nervous systems. Sleepless nights, much irritability over little things, spells of dizziness and nervous sick headaches are among the symptoms.

You may not realize the nature of your ailment until nervousness comes upon you. But, in whatever stage you find yourself, Dr. Chase's Nerve Food is ready to help you. Mrs. W. J. May, 55 Annette street, Toronto, writes: "Some years ago I suffered from nervous trouble, and took Dr. Chase's Nerve Food, which completely cured me. About six months ago I received a shock which again shattered my nervous system to such an extent that I was irritable and hysterical, and could not sleep nights. I began to use the Nerve Food again and was not disappointed. Improvement was apparent from the first box, and now I am entirely well. Dr. Chase's Nerve Food, 50 cents a box, 5 for \$2.50, all dealers."

## PRINCESS "PAT" IN THE NORTH.

Like other members of the Royal family Princess Patricia does not like "killing things," so although in Scotland she will seldom be seen on the moors. Nor does she like to be in a good valley and there are very few of her sex to heat her as a cyclist. She claimed herself into the hearts of all the Canadians by her skating, but it is in dancing she excels. After the Queen she is the best dancer in the Royal family. That she has more than a fancy for some of the new steps is pretty well known, though she only gets the chance of tripping them when she goes to the homes of some of her Yankee friends like Mrs. Jack Leslie and Lady Granard. It is probably because she is so graceful that no one realizes she is no slutt. She is really the tallest princess in Europe.

## BORN.

Born to Mr. and Mrs. M. W. Hopkins, at 136 1/2 Pitt Street, on Sunday, the 19th inst., a boy.

## FURS

## THE GAY WORLD.

A jolly party spent yesterday at Mrs. Herring Cooper's country place "Kilmear." Mr. and Mrs. Seath, Mr. and Mrs. Tod Lane, Miss McKenny, Miss Connie Griffin accompanied the guests.

Mrs. J. Fisher Day of Toronto, who has been visiting her daughter, Mrs. Dery Woods, in Calgary, is a guest of Mrs. M. R. Jennings.

Mrs. A. C. Smart and Miss Mac Smart, 1308 Athabasca avenue, will receive on Wednesday afternoon, October 22, and afterwards on the second Thursday of each month.

Mr. John Eagle of the Bank of Ottawa has been transferred to the branch at Estevan, Sask.

Miss Telfer, of Collingwood, is a guest of Mrs. Seath.

Dr. and Mrs. Laidley have taken Judge Crawford's home for six weeks. Mr. and Mrs. Donald Macdonald, of Thence, entertained a supper party in honor of Mrs. C. W. Fisher and Mrs. Laidley. Covers were laid for 12.

We heard that the Gay Society is engaged to be married, but ex-King Manuel is not going to give her away.

Mr. and Mrs. H. Hurst have moved from 81st street to their new home 157 Twenty-ninth street. Mrs. Hurst will receive on Thursday, October 22, and afterwards on the fourth Thursday of each month.

Mrs. A. S. Dickson was the hostess of two charming teas on Friday and Saturday in honor of her sister, Miss Ward, of Hamilton. Mrs. Jones, of Fort Saskatchewan, received with her. The table was prettily decorated with chrysanthemums. Mrs. Perrie and Mrs. J. D. Hyndman presided on Friday.

## BILL AT PANTAGES ELICITS APPRAISE MOST VOCIFEROUS

Large Crowds Yesterday Show Great Appreciation of This Week's Program.

Pantages theatre was packed to the doors at 8 o'clock yesterday, the audience seemingly enjoyed every turn on the bill as the applause was vociferous. The sketch "In and Out" is undoubtedly the highlight. The plot doesn't amount to anything, but the acting of Edna Northline and Walter S. Howe is very funny, and the rapidity of scene changes is wonderful.

The trained acrobats led the audience in a state of excitement while they did amazing things with big balls and little balls, pointing them in their heads with the alertness of humans.

Blanch Gordon does nothing remarkable, except to wear some "Parisian" gowns. Her songs are not attractive. The acrobats are very ordinary, doing a great deal of posturing with tons of apparatus without any result.

The rest of the bill is laughable and very pleasing. The motion pictures are good.

## A GOOD SHOW AT THE ORPHEUM, JASPER EAST, THIS WEEK.

In speaking to Manager Arons in regard to this week's show, he said: "Judging from last night's crowd, I am not afraid of the show making good, but will be short of room to accommodate the people. Every one of our patrons seemed to go away pleased. Miss Lane, who does a novelty dance, was heartily applauded, and the graceful manner in which she appeared in the serpentine dance was greatly appreciated by the audience. Prof. Baron has a reputation of being one of the leading 'cello players on the western coast, and from the way in which he was received last night there is no doubt of him being as great in his line. 'Silva Mard' is a symphonic soloist, won the hearts of the ladies at once, and the graceful manner in which she rendered difficult selections brought her back to several encores."

Putting on acts between pictures, has won favor with the patrons of the Orpheum and, judging from the compliments, Manager Arons has received to success is assured.

But besides championship baseball, there is the week's work.

## Headache Over the Eyes? Look For Nasal Catarrh

Catarrh Never Slaps in One Place! It Spreads Rapidly—Often Ruins Health Completely.

In this changeable climate it is the little colds that drift into Catarrh. Unless the inflammation is checked it passes rapidly from the throat or nose to the bronchial tubes and then to the lungs. You can't make new lungs any more than you can new fingers or toes, but you can cure Catarrh.

The most cure consists of breathing in the healing balsamic essence of CATARRHOZONE, which is simply a medicinal vapor so full of rich curative properties that every trace of Catarrh vanishes before it.

"The soothing vapor of Catarrhozone is the most powerful medicine I ever used," writes Mrs. Edmond J. Christie, of Saskatchewan. "Every breath drawn through the inhaler sends a grateful feeling through the air passages of the nose, and through Catarrhozone cured me of frightful headache and the most distressing of all irritable hacking cough that had been the bane of my life for a year. My appetite and digestion are considerably better than before. Catarrhozone is a great blessing to me. I don't know," said Mr. Maude, "but I hope to prove that I am all of some use to the stage, and I trust I may not bury those hopes."

## ASSEMBLES.

Invitations are out for the assemblies which will be held this year in the Empire auditorium. The patronesses are: Mrs. J. Anderson, Mrs. Percy Barnes, Mrs. F. G. Bowers, Mrs. A. Davies, Mrs. W. A. Grosbeak, Mrs. P. C. Jamieson, Mrs. Nightingale, Mrs. E. C. Pardee, Mrs. W. Duncan Smith, Mrs. G. W. Swainland.

## STRONG PLAY AT EMPIRE THEATRE

"Freckles" Has Been Given Magnificent Scenic Investiture and Good Cast.

"Freckles," a play stronger than the famous book of the same title, will be seen at the Empire theatre October 22-24. It is an excellent cast of players.

It is but a few years ago that Gene Stratton-Porter gave "Freckles" to the world. It proved a delight to the readers of modern fiction; more than a million copies have been sold. It is the quaint story of the folks of the Limerick Swamp country of Indiana. There are many stories, strong in all interesting points which make absorbing reading but are of no value to the stage—the action is lacking. "Freckles," however, is the reverse. It is stronger as a play than it was as a novel. The secret of the Limerick region is its phantom scene, a virgile people, make the plot and story replete with action.

"The Twopenny dramatist has followed the text of the story in a most faithful manner and every one of the famous characters of the story is brought to life in the play, as living breathing beings."

"The play has been given a magnificent scenic investiture and a strong cast of players. It is a word picture of an event in local theatricaldom."

"Freckles" is proving a triumph from stage point of view. It is undoubtedly the most substantial success of the present theatrical season.

## THINGS TO WORRY ABOUT.

"The photograph flatters you," says the photographer. "You are in the year 2352 B.C.—Cincinnati Enquirer."

In London there were 2,170 births and 1,722 deaths last week.

Completely blind, even to his back and legs, a Jew has been shot on a train at Billerica, Mass.

## "CASCARETS" FIX SORE STOMACHS

Sluggish Bowels cause Gases, Indigestion and Food Fermentation.

Get a 10-cent box now.

"That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, dizziness and sick headache, mean a disordered stomach, which cannot be regulated until you remove the cause. It isn't your stomach that's faulty. Your stomach is as good as any."

Try Cascarets; they immediately remove the cause of your sour, indigestion and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels. Then your stomach trouble is done. A Cascaret tonight will straighten you out by inducing a regular box from any drug store will keep your stomach sweet; liver and bowels regular; no more gas. Don't forget the children—these little leaders need a good, gentle cleansing, too.

## PACKED HOUSE AT EMPIRE SEES A SPLENDID SHOW

"Pantaloons" An Artistic Playlet is Headliner—Every Number Good.

To a packed house the Empire last night presented one of the best vaudeville bills the orpheum circuit has ever sent to Edmonton. There was a poor number, and the variety satisfied every taste.

The pretty little "Pantaloons," which is the headliner, charmed everyone with her fascinating dancing. It is seldom that the person who plays a part with no lines is the star of the piece, but that is the case with Miss Daise. Her Catarienne cured me of frightful headache and the most distressing of all irritable hacking cough that had been the bane of my life for a year. My appetite and digestion are considerably better than before. Catarrhozone is a great blessing to me. I don't know," said Mr. Maude, "but I hope to prove that I am all of some use to the stage, and I trust I may not bury those hopes."

Mr. Cyril Maude told an excellent story at the luncheon given to him on the eve of his departure for Canada and the United States. He went to Canada, he said, when he was 20 years of age, and worked on a farm for a year. The farmer he worked for was now the keeper of the cemetery at Toronto. The farmer wrote to him the other day saying how exactly he looked forward to his visit. "Whether it was to see whether I am really fitted for the stage or for the cemetery, I don't know," said Mr. Maude, "but I hope to prove that I am all of some use to the stage, and I trust I may not bury those hopes."

## WINNIE SATURDAY PONT SAYS

"After watching the fascinating dancing of Miss Daise one felt an irresistible desire to know something of the personality of this little of feminine grace and gait. The little lady was quite willing to satisfy the people's curiosity. She told how her father was a French Canadian and her mother an American. She herself being born in St. Louis. Her first training in dancing was secured at the age of six, and subsequently the youthful artist performed in England, Germany and Russia, later appearing as the leading dancer in Oscar Hammerstein's presentations of "Carmen," "Mignon," "Aida" and other operas."

"New York is a dance town," said Miss Daise, "they dance at tea-time, suppers, dinner-time—all the time. You know it is very healthy; she is very active."

This is the first visit this foremost of American dancers has paid to Winnipeg and she expressed herself as very much pleased with her reception here, and to the hope that was voiced that her return would be in the near future, she replied, "Thank you, very, very much, indeed I should like to come back again very soon."

## FASHION HINT.

When a woman begins to complain that hair and gowns are not so pretty as formerly, it is a certain sign she's growing old—New Orleans Picayune.

## WASNT SHE JUSTIFIED?

"The photograph flatters you," comments the current snapper. "Then it is more polite than you are," replied the indignant maiden—Buffalo Express.

## Household Economy

How to Have the Best Cough Syrup and Save \$2 by Making It at Home.

Cough medicines, as a rule, contain a large quantity of plain syrup. If you take two cups of granulated sugar, add one cup of warm water and stir until two minutes, you have as good a syrup as money could buy.

If you will then put 2 1/2 ounces of pink (or coast) worth in a 16-ounce bottle, and fill it up with the Sugar Syrup, you will have as much cough syrup as you could buy ready made for \$2. It keeps perfectly. Any household can easily prepare it in five minutes.

And you will find it the best cough syrup you ever used—even in whooping cough. You can feel it take hold—usually stops the most severe cough in 24 hours. It is the most laxative enough. It has a good tonic effect, and taste is pleasant. Take a teaspoonful every one, two or three hours.

It is a splendid remedy, too, for whooping cough, croup, hoarseness, asthma, chest pains, etc.

Pinex is the most valuable concentrated compound of Norway white pine extract, rich in quinine and all the healing pine elements. No other preparation will work in this formula.

This recipe for making cough remedy with Pinex and Sugar Syrup has been used and prized in thousands of homes in the United States and Canada. The remedy is not limited.

A guaranty of absolute satisfaction or money promptly refunded. Write for this recipe. If the genuine Pinex is used. Your druggist has Pinex, or will get it for you. If you ask him. If not, send to The Pinex Co., Toronto, Ont.

# Curtain Lifted on Tammany by Sulzer's Investigator

Intimate Disclosures of Sulzer's Relations With Murphy and McCall—\$700,000 Loaned to Murphy and Gaffney—Sulzer Governor Only in Name.

New York, Oct. 21.—John Hennessy, Sulzer's investigator, whose work resulted in numerous indictments for grafting on highway to Tammany, appeared at a public hearing on the subject of Tammany-Murphy-McCall relations, that continued and even went beyond the mark reached by Sulzer's own story.

"Sulzer or war" ultimatum which Sulzer said had been delivered to him was corroborated by Hennessy, who gave the name of the man who carried that message to Tammany, from the box. Wm. E. Paine, president of the Yellow Pine company, 1600 Broadway, a director of the American Hauling company, a trustee of the Equitable Life Assurance society, and as Hennessy put it, "Tammy King, speculator and friend of Murphy and Gaffney," was the man named by Hennessy as the bearer of the message.

Hennessy said, told him he had lent \$700,000 to Murphy and Gaffney when Thomas F. Ryan was with McCall in his fight against Murphy and when the banias were "tight on Murphy and Gaffney."

Needed \$700,000.

"They needed that \$700,000 to carry through the Pennsylvania tunnel operation," Hennessy explained, "and, believe me, the man who later appears as the man telling Sulzer, the governor, that it's Gaffney or war."

Hennessy spoke on this matter and of the conferences between Murphy and Sulzer, at which McCall was present, as well as about everything else, with intimate details and with the utmost confidence. He was so full of his subject that he had scant need of the few notes he had at his side and only referred to them casually, when, as he put it, he wanted to be careful not to do any man an injury.

Dares Them to Tell.

Hennessy told of the arrangements made by McCall for the private interview between Murphy, McCall and Sulzer in Murphy's house in East 17th street, and he challenged McCall to go further and relate what was said by each of the three men present from midnight of April 12 until 4 o'clock in the morning of April 14.

"How does Hennessy know this," he shouted, after making the suggestion himself, that someone might challenge his statement as mere hearsay from Governor Sulzer's own story, that he had heard.

"Well, Sulzer told me first, and McCall told me second."

Hennessy opened his address by saying he would not at any time attempt

# MANY MINISTERS FROM PROVINCES WILL CONVENE

Delegates From Various Sections Will Talk Over Matters of Interest.

Ottawa, Oct. 21.—The cabinet council did not hold a sitting yesterday. Premier Borden and those of his colleagues who were not abroad spent the Thanksgiving day quietly in their own homes.

The week promises to be an exceptionally quiet politically as Premier Borden and several of the ministers will be in Quebec, while others will be out of the city. Next Monday there will be more activity at the capital as the inter-provincial conference opens on that day.

The gathering will bring a large array of premiers and provincial cabinet ministers to the capital to discuss a number of important questions. These will include the representation of the maritime provinces in the federal house, the claims of British Columbia to better treatment in regard to the question of the control of the public domain in the three prairie provinces. It is also likely that despite the recent decision of the supreme court in regard to the company's act the question of the respective jurisdiction of the Dominion and the provinces in regard to the incorporation of joint stock companies will be considered.

Accidentally Shot.

Vancouver, Oct. 21.—Ross Howard, C.P.R. yardmaster here, was accidentally shot to death while on a hunting trip near Sumas yesterday morning in company with his only son, a boy of 13 years, and a Mr. Walsh, a Vancouver hunterman. He was walking through the woods when he accidentally tripped and fell, one barrel of his shot gun discharging, killing him instantly. The dead man was only 22 years old and was regarded as one of the rising young officials in the C.P.R. service here.

Still Hero of Spain.

Madrid, Oct. 21.—Donato, the military bull fighter, who retired yesterday, is still the hero of the day in Spain. He received yesterday a present from Queen Victoria a scarf pin, with the royal crown on it.

Countervailing Duty in Force.

Washington, D.C., Oct. 21.—The treasury department has ordered all customs officers to collect countervailing duties on all printing paper valued above 25 cents a pound imported from British Columbia and Quebec.

# HELPLESS CRIPPLE FROM RHEUMATISM

Toronto Lady Took "Fruit-a-lives" And Cured Herself.

"I was a helpless cripple from Rheumatism for nearly a year. All down the right side, the pain was dreadful and I could not move for the agony. I was treated by two physicians without benefit. I saw 'Fruit-a-lives' advertised and decided to try them. After taking one box, I was much better. When I had taken three boxes, I could use my arm and the pain was almost gone. After taking five boxes, I was entirely well again. The cure of my case by 'Fruit-a-lives' was indeed wonderful. I became all the cures failed to even relieve me. 'Fruit-a-lives' cured me."

Miss LIZZIE HANFORD, age a box, 6 for \$5.50—trial size, 25c. At dealers or from Fruit-a-lives Limited, Toronto.

# EDMONTON HEADQUARTERS FOR OUTFITTING SUPPLIES

Ominca Gold Mining Co. Shipping Large Machinery to Fort George.

That Edmonton is without a doubt the natural and inevitable headquarters for outfitting and the distributing center for supplies with regard to the vast country north and west of here is the firm conviction of D. H. Fetherston, a well-known mining engineer of Vancouver, B. C.

Mr. Fetherston represents the Ominca Gold Mines Limited, and has secured several valuable dredging and hydraulic holdings in the neighborhood of Fort George, and the company is only waiting for the completion of the C.P.R. from Edmonton to Fort George in order to ship in immediately large quantities of mining machinery.

# MOOSE JAW GRAIN EXCHANGE

Moose Jaw, Oct. 21.—A meeting for the purpose of completing the organization of a grain exchange will be held here this morning. The membership price is \$250 and already over 60 of the grain growers and other interested have signed up. The location of the terminal elevators here and the recent change in the freight rates which will mean that over one-half of the grain from this district will be shipped through the C.P.R. to Minneapolis and Duluth, were the prime factors that led to the establishment of the exchange here.

# Unearned Increment Tax; New Act of Legislature

Full Text of Measure Passed at Present Session—Province to Profit by Increase in Value of Lands—No Transfers of Property Until Tax Paid.

The act respecting the taxation of the unearned increment on land is one of such importance as to merit publication in full. The gist of the act is contained in the first clause of section 2:

3. There shall be payable upon the registration under the Land Titles Act of any land a tax of five per cent on the increased value of the said land over and above the value thereof according to the last preceding value for the purposes of this act, excluding in all cases the cost of improvements or of development work actually made or done upon or in connection with the said land.

No tax shall be payable under this act upon the registration of any grant from the crown or of any transfer of the land of a deceased person or upon any transfer from the executors or administrators of any such person to the devise or devisees of such land or to the persons entitled thereto upon a distribution of the estate and any value ascertained under the registration of any such transmission or transfer shall not be deemed to be a value ascertained for the purposes of this act.

(3) For the purpose of ascertaining the first taxable value for the purposes of this act in respect of any interest in land created before the passing thereof, the last value shall not be deemed to be a value ascertained for the purposes of this act.

(4) \$25.00 per acre in the case of any land at the date of the passing of this act within any incorporated city, town or village.

(5) The assessed value of any land within any incorporated city, town or village according to the last revised assessment roll for the year 1912, if such land is assessed upon such roll or if not then such value as may be made to appear to the registrar of land titles to be just.

(6) Provided that if it is made to appear to the satisfaction of the registrar that the person liable to pay any tax payable hereunder has before the passing of this act bought or agreed to buy the land in respect of which such tax is payable at a price greater than the last value as hereinbefore ascertained the price paid or agreed to be paid upon such purchase shall be deemed to be the last value for the purposes of this sub-section.

(7) And provided that if within one year from the passing of this act the owner of any land not within the limits of an incorporated city, town or village makes it appear to the registrar upon oath that such ascertainment of the tax would be grossly or impracticable by reason of the variation in the quality or situation of the land, or otherwise, the registrar shall decide the mode of as-

# SHIP ABANDONED NEAR TORONTO; CREW ALL SAVED

Rescued in Heavy Sea After Two Days' Struggle With Wintry Elements.

Toronto, Oct. 21.—To be shipwrecked off Scarborough Beach for two days, continuous struggle against the wintry elements and to be saved by Captain Ward and his crew, who were saved from an exceptionally heavy sea were availed of the main deck, was the experience of the crew of the bark Sloop, who were taken from the abandoned ship today.

The chain of accidents and hardships commenced Thursday when the Sloop's bows were stove in while passing through the Welland canal. Divers were sent to work on her in an effort to patch the holes sufficiently strong to bring her to Toronto. All might have gone well had not the ship encountered one of the worst gales of the season. The lawyer by which she was being towed by the lake Michigan steamer, which left her at the mercy of the elements. The worn out captain and crew finally arrived off Scarborough Beach this morning. Water was rushing into the hold, and the captain forebore disaster blew distress signals.

Captain Ward of the inland life saving station put out in his lifeboat, but such difficulty was experienced in transferring the crew. The Sloop was beached.

# SNOWSTORM IN CHICAGO

Chicago, Ill., Oct. 21.—Chicago awoke this morning to witness a heavy snow storm. Light snow began falling last evening and continued all through the night, becoming heavy at daylight. Almost an inch of snow fell, covering the streets and deadening the sounds of early morning traffic. The mercury dropped below the freezing point.

certaining and the amount of the tax. & The Lieutenant Governor in Council may, however, in any case, make such regulations not inconsistent with this act as may be necessary or advisable for the efficient and equitable operation of the same.

### EDMONTON ESKIMOS WIN FROM CALGARY TIGERS IN EXCITING RUGBY GAME

Between Three and Four Thousand People Saw Grid-Iron  
Battle at Diamond Park Yesterday Afternoon.

With the score tied at 12 to 12; with only three minutes left in which to play; with more than 3,000 spectators fairly shivering with tense excitement and with both teams fighting like madmen for every inch of ground, the Edmonton Eskimo rugby team, in the Thanksgiving rugby football match with the Calgary Tigers at Diamond park yesterday afternoon, did just what 3,000 fans were praying they would do. They smashed the Tigers' line to smithereens in three successive plays, carrying the ball to within striking distance of the Tigers' goal; kicked the ball to Capt. Wark of the Tigers as he stood on his own goal line and then with a mighty rush they downed him in his tracks just over the goal line, thereby scoring the one point which won the game for Edmonton.

That was the climax of the greatest football match ever seen in Edmonton. Then did Edmonton for the first time in the history of modern warfare, ouch! its rival from the south at the great game of rugby, the final score of the game which ended a few seconds later being 13 to 12 in favor of the local team.

Perhaps never in the history of athletics in Edmonton has there been a demonstration of enthusiasm to equal that which followed the blowing of the whistle which marked the close of the game. Coming as it did only a few seconds after Edmonton had made its winning point, the immense crowd was wild with excitement and rushed on the field cheering tumultuously. The Eskimo heroes were hoisted to the top of a mass of happy humanity and amid a victory mad mob of jostling men and boys were borne from the field.

**SCORE WAS CLOSE**—That filled the grandstand and bleachers and swarmed along the sidelines, and the intense rivalry between the two teams the game was intensely exciting, which encloses the park, was not ebbing. The vast throngs of spectators gave a single opportunity to breathe

JOHN HALL AND T. BUCHANAN.

Jack Hall of the Y.M.C.A. who won the Daily Capital's second annual road race yesterday morning. The older man with Hall is T. Buchanan, trainer at the Y.M.C.A.

early from the start of the game until the finish. When the two teams stood 12 to 11 in favor of the Tigers, The Eskimos had been outplayed by the visitors at carrying the ball, but the superior kicking of Doble and Wark for the Tigers was getting in its work and the ball had been sent dangerously near the Edmonton goal throughout the third quarter. Edmonton's only chance to win was by playing straight football and keeping the Tigers from kicking as much as possible. With determination fairly oozing from every man on the team, the Eskimos, starting from the beginning of the last quarter with the ball on their own 40 yard line, began a series of bucks and end runs by which they carried the ball to the visitors' 10 yard line.

Here the anti-climax of the game occurred. Only six minutes of play remained. The Tigers were leading with one point.

**How Score Was Tied**—The Eskimos were on their third down. They attempted to make the remaining distance by bucking the line and thus put them safely in the lead, or play safe and tie the score by punting the ball over for a safety. With what proved later to be the wisest step they chose to play safe and tie the score. Cormack booted the ball completely over the fence, scoring a rouge for the local team and tying the score at 12 to 12. This was the occasion for a great outburst of cheering. But now that defeat had been avoided the crowd and the team as well were not satisfied. They wanted victory. The time was expiring rapidly and it seemed very probable that neither team would be able to win. But here again the home team showed its superiority.

**The Winning Point**—When the Tigers kicked out from the 25 yard line the ball was run back well and then old "True Blue" Graham who had been fretting his heart out on the sidelines because he was kept out of the game with an injured leg was sent into the game to buck the Calgary line and make the much needed gain which would put the ball again in striking distance of the visitors' goal. And Graham made good. Forgetting his leg he tore into the opposing line and with a half dozen Tigers clinging to him went 10 yards before he fell. The ball was still out about 25 yards and it was a question if on a punt the wings could get a down in time to keep the man who should catch the punt from carrying it out. Cormack booted and that question was settled satisfactorily, for the whole Edmonton team swept down on poor

Wark and the game was won. Referee J. Hall stated after the game that he was not close enough to see whether Wark was downed back of the line or forced back across it. It was thought by those who saw the play that he was forced back over his goal which should have given Edmonton 2 points but as the referee was not certain he called it a rouge which netted one point which was quite sufficient to satisfy everyone.

There is no doubt that the Calgary players came to Edmonton expecting to have a tough game but with the usual Calgary confidence in their ability to win out on luck if nothing else would do, they were not anticipating a defeat. Many of the fans who came to back them were not so practically no Calgary mind in sight for demanding big odds and many got them as there was plenty of Edmonton supporters who fully expected to see the home team win.

**Weather Ideal**—The weather was ideal for football. The crowd which saw the game was one of the largest ever seen inside Diamond park. After the same it was fully 15 minutes before the throng had disappeared and the last of the many motor cars was able to get out of the park.

There was little difference of opinion at the end of the game as to which was the better team. The Eskimos outplayed the Tigers both on offense and defense. In the kicking department of the game however, the visitors were superior and it was only by kicking that they were able to make the game as close as they did. Not once did they carry the ball over the Edmonton goal, while the Eskimos carried the ball over the Calgary line twice.

**Calgary's points** were made by kicking the ball over the Edmonton line. First for a rouge coming one point, then for a touchdown, when Conway fumbled back of the line and a Calgary player fell on the ball. This touchdown was converted and the score amounted to 7 points. Wark kicked a field goal which netted 3 more points and the two rouges for two more points was the extent of their scoring. Costly fumbles in the first and second quarters were largely responsible for Calgary's scoring.

**Eskimos Score First**—The Eskimos started off with a rush at the beginning of the game and by line bucks scored the first touchdown in five minutes of play. The Tiger line was not stopping the Eskimos rushes at all and it looked like a walk away, but as the visitors settled down

### WORLD CHAMPION WRESTLER WANTS TO MEET FORBES

Claimant of Featherweight  
Title Issues Challenge to  
All Corners.

D. Hart of Leslieville, Alberta, acting on behalf of Alex. Stewart, a featherweight wrestler, now in Winnipeg, writes the following letter to the Sport Editor of the Capital, in which he issues a challenge for his man, to Jack Forbes, the Scotch light-weight or Joe Harris, or any other wrestler who will make the prescribed weight:

"I, David Hart, will match Alex Stewart, featherweight champion of the world against Jack Forbes or Joe Harris, catch-as-catch-can. The rules, at 125 or 135 pounds, or will back Stewart against any man in the business, at 124 pounds for any title stake."

"Stewart is at present in Winnipeg," writes Mr. Hart, "and cannot get a match, having defeated all the best in the country, including Ernie Sunberg, featherweight champion of America. Last winter he met Bert Simmons of Moose Jaw, one of Canada's stars and one of the best lightweights in the business and after a struggle of two and one-half hours, the match was declared a draw. Stewart weighed 126 pounds and Simmons 124 pounds."

"Stewart, before coming to this country, won over 100 competitions and was champion of Scotland and won the Hengist's Curlew World's Championship belt. In 1908 he defeated Tommy Monk, English featherweight champion for 1100 lbs. bet. The same year he defeated Harry Mort of Oldham, England, the new English champion. He has never refused a challenge since he entered the wrestling business."

Any reply will be attended to either by A. Stewart, 21 Kensington Street, King Edward road, St. James, Winnipeg, or D. Hart, Leslieville, Alberta.

### INDIAN WINS FIVE MILE ROAD RACE AT WINNIPEG

Kepler Finishes First in Y.M.C.A.  
Race With Time of 27 Mins. 54  
Secs.—Was of the route which

Winnipeg, Oct. 21.—Joe Kepler, the noted Indian Olympic long distance runner, won the five-mile road race here yesterday for the fourth year in succession. The race for the first time was run as a handicap, with Kepler at scratch and a record entry was the outcome of the innovation. Eighteen out of 21 entries started, and Kepler had to go all the way to the finish to win the race. The race throughout was close, the handicap being most judiciously arranged, and Kepler had not caught his field until well into the city. Hopkins, of the Y.M.C.A., was 4-5 seconds. Kepler's time was 27 minutes, 54-5 seconds.

**ROWING CLUB DEFEAT LEAGUE LEADERS**—Winnipeg, Oct. 21.—The rowing club rowers won their first senior race this season here yesterday, defeating St. John's league leaders, 20 to 8, after a highly interesting exhibition of the grueling event. The teams were very evenly matched and the contest only managed to win in the last quarter of the race, when they piled up 14 points. Denison and Meredith each kicked pretty well and three times were made through outside kick. The race for senior honors is a close one with any one of the three teams having a chance.

**PRINCE ALBERT ROAD RACE**—Prince Albert, Oct. 21.—The annual city Herald road race was held here yesterday by H. S. Midcock of Saskatoon in 36 minutes and 58 seconds. There were eight runners and the road was rough and hard and the temperature chilly.

**MOOSE BEAT SASKATOON**—Moose Jaw, Sask., Oct. 21.—The Moose Jaw team, during the first half of the game Moose Jaw piled up a lead of 15 points and this proved sufficient to win the game, the final score being: Moose Jaw, 17; Saskatoon, 8.

### Capital's Second Annual Road Race Great Success

Jack Hall, of Y.M.C.A., Winner, with Harlow, of Varsity, and  
Dunham, Y.M.C.A., Second and Third.

It is safe to say that no foot race of any sort that has ever been pulled off in Edmonton has been witnessed by as many people as was the Daily Capital's second annual road race yesterday morning. The results of which were told in yesterday's Capital. Not only were there several thousand people packed in front of the Capital office and at Second street and Jasper avenue, but from Second to Ninth on Jasper corridor the curb and around the runners as they finished the home stretch.

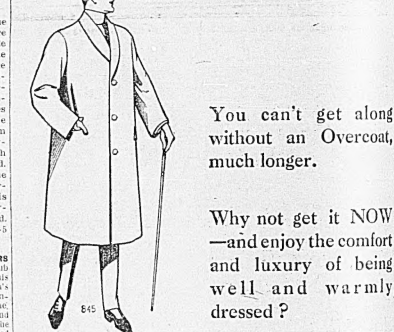

On Whyte avenue in Edmonton South the spectators saw the runners pass the half way mark. At this time they were fairly well bunched with Harlow leading. Automobiles by the scores followed the runners and saw the exciting moments when one runner overtook the man ahead and came one notch nearer victory.

Jack Hall won the race was compelled to pass nine runners ahead of him, some of whom had as much as a minute and a half the start of him. Harlow who finished second and was Hall's chief competitor had 30 seconds start over Hall, and it was not until the high level bridge was reached that he was overtaken. Shortly after turning onto Fifth street north the home turn for home Hall came up behind Harlow but the leader sprang away from him, which later proved his undoing as he was pretty well fagged at the finish.

Half's time was 22 minutes and 31 seconds. This was good time considering the fact that the race was over a five and one-half mile course which included two of the worst hills in the city limits.

**The Hill Seemed Long**—The long drag up the Strathcona hill was the piece of the route which brought out all their was in the runners. Dunham, who was running from scratch gained well on all the other runners on the hill. At the half way mark he had gained one minute on the leaders but was unable to overcome the lead taken by Hall and Harlow.

**TORONTO HERALD RACE**—Toronto, Oct. 21.—The Herald road race was won by J. P. Duff, first time, 14:30; Allan, Hamilton, second, 15:20; Duffin, Winnipeg, third, 20:10.
